

## VEE SHELF

---

### DESCRIPTION:

The most robust shelf in our range, capable of carrying the highest loads.

A 10 degree angle bottom allows for a thinner front edge, while the thicker back edge bears the greater load. It is rated for 5kg per fixing to studs or brick walls.

In addition to being available in various lengths up to 2400mm, the Vee shelf is available at either 240mm or 360mm depth, allowing it to be more useful for supporting audio visual equipment.

### MATERIALS:

Front Edge and sides in 6mm solid timber.  
Bottom and Top faces in matching natural timber Veneer.

### CRAFTED:

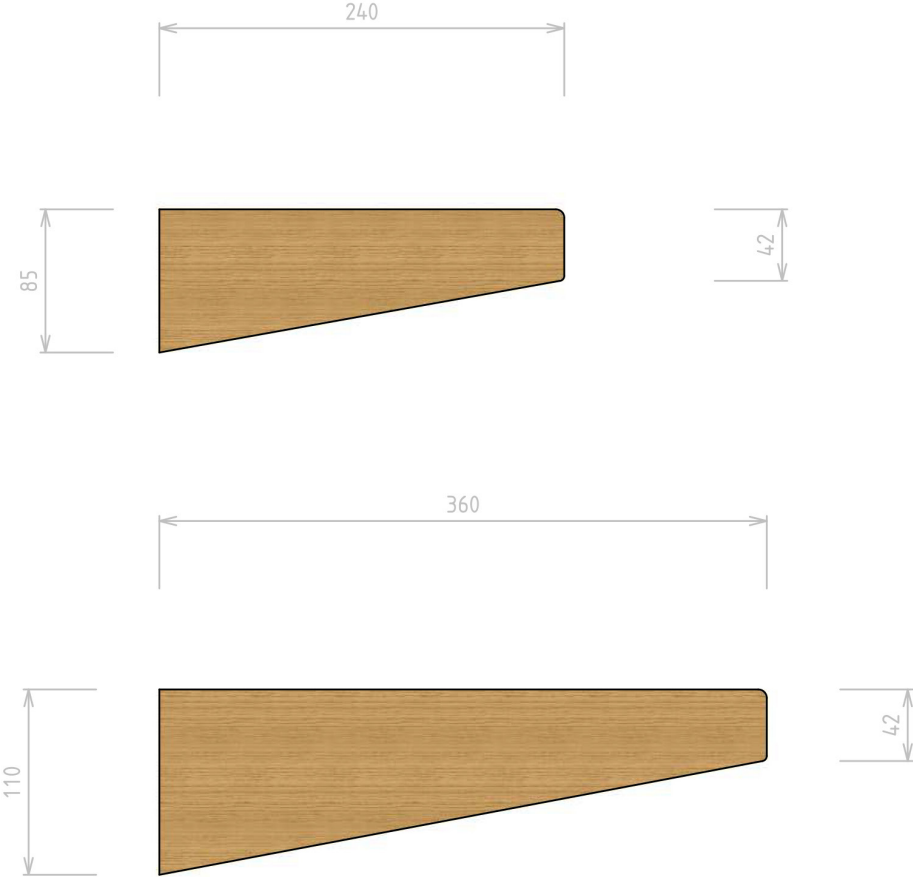

Wiseman Made - Adelaide

### WOOD FINISH:

American Oak Raw, Natural, Vintage, Nutmeg,  
Havana, Walnut, Dark Walnut, Ebony, Oak Black,  
Vic Ash, Blackbutt, Chestnut.  
Other timbers by request
